PROPOSALS. PROPOSALS FOR PTATIONERY.

DEPARTMENT OF JUSTICE.

WASHINGTON, D. C., May b. 1575.

Proposals for turnishing such articles of Stationery as may be required for this Department and the bureaus and offices thereof during the fiscal year June 20, 1876, will be received until 12 o'clock m., JUNE 5, 1875.

Each proposal must be signed by the individual or firm making it, and be accompanied by a satisfactory guarantee that the bidder will execute a contract, with good and sufficient bonds, if his bid is accepted for any or all articles. No bid will be considered without such guarantee.

All articles are stipulated to be of the very best quality. Samples will be required in all cases. Each sample to be marked with the name of the bidder and the price. One price only will be considered in connection with any one item on the schedule. Bids made out in any other way will be rejected as informal.

Hond, with approved security, will be required of the party to whom the contract or any part of it may be awarded.

In follure to fornish any article (within a reasonable time after being ordered the right is reserved of purchasing in open market, or of declaring the contract forfeited, and if a greater price than the contract price is paid for such articles the difference will be charged to the contractor. Bids will be constanted to each item separately. Schedules dontaining blank forms for bidding, together with them and astimated quantities of articles needed, and full information, in accordance with this advertisement, will be furnished on application.

Centracts will only be awarded to established manufacturers of or dealers in the article.

The Atterney General reserves the right to reject any or all bids that may be offered.

Proposals must be addressed to the Attorney General, and inforsed "Proposals for Stationery."

Blank forms for bidding will be furnished upon application.

The bids will be considered and accepted or rejected item by item; and this advertisement and the proposals, so far as accepted by the Secretary of State, and the bond accompanying the same, shall constitute the contract between the Government and the bieder or bidders, and no further contract will be secuted.

The articles contracted for must be furnished from time to time, curing the year, in quantities pursuant to orders from the Department.

The entire quantities of each articles will, however, be called for during the year.

Each proposal must be signed by the individual or firm making it, and be accompanied by a bond, with sufficient sureties. In a sum equal to fifty per cent of the bid or bids accepted, approved by a United States officer of the district in which the sureties ree de or do business, on a form to be farnished by the Department, conditioned for furnishing such portions of the articles as may be awarded under it, and the performance of the contract.

All deliveries will be subject to inspection by an expert detailed for the purpose by the Secretary of State, and the celivory of an inferior article will be deemed sufficient cause to annul the contract, at the option of the Secretary.

Deliveries must be free of charge at the Department of State, Washington.

The failure to comply with any one order under the contract, will, at the option of the Secretary of State, operate as a forfetture of the mitre penalty of the bend, or the Secretary of State may direct the purchase, in open market, of such quantities of any article as shall be necessary to supply the deficiency caused by such inlure, and charge to the contractors fifty per cenium of the price which it shall be found accessary to pay for such articles.

Proposals unaccompanied by a satisfactory bond will not be considered, and contracts will be awarded only to established manufacturers of or dealers in the articles.

Proposals to be addressed to the undersigned

FINANCE AND COMMERCE. Mon tary. WASHINGTON, Prinay Evening, May 28. The only strength exhibited in Wall street is the continued steady market for gold and Gov-ersment bonds, and the key note to this may be-found in the alsahors of more

the continued steady market for gow and coyernment bonds, and the key note to this may be
found in the plethors of money.

When loans from mercantile and conservations of
American enterprise go a begging at 1 per came,
per annum for shert time accommodations and at
3/466 for commercial paper as to time and quality, it is not strange that it should be applied to
the ignoble purpose of keeping up the gold premium, or that it albudid seek idiscover and small
probts in thorsernment bonds. Harardous as it
seemed to invest in gold a few months times, when
Jay Gould et al. said it must go up and August
Belmont et al. said it must go up and August
Belmont et al. said it must go up and August
Belmont et al. said it must go up and August
de the present prices are a steady thing, and that
although there were some indications of a revival
of the expert trade which would indicate help to
cause a decline, that there is mozely enough to
buy out sellers of gold and preserve its value unharmed.

The same market in Walbstreet is demoralized,
and the Post this alternoon detected signs of an
inevitable panic in stocks. Vesterday there was
a large beamers at the steady decline faufing the
day, but this has been successed by a small volune of business, broad fluctuations, and general
uncasiness. The mest exotionment has been in
Lake Shore, which fell to Sign W. U. Tolegraph,
which fell to 72/2 K. Y. Contvat, which fell to
par. The general market has been equality unsettled, but the largest business and declines
have been in these stocks. Enseith Mini and
Union Facilits were stranged on the list, advances
above opening having been established upon
both.

Erie was strong yesterday, there having been
lave and an and an and ance at the close to last.

settlements at the London Stock Exchange are a smalled with some anxiety. It is feared that the fail in Eric and Anato-American belegraph stock will cause some failures.

In this consession we might clip from the Post

In the local market the guaranteed 3 63's opened wask at 14674'5, and other District securities strong. At the board green 8's sold higher at 21, and 3 65's lower at 1254674. Owing to the few sales in New York, there being none at the board, and the general depression of stocks and values the market here was weak in the early dealings, but late in the afternoon the bonds became active and \$5,0006,200,000 lots changed hands at 744,675. We received to-day the long-expected circular of H. B. Cooke, Jr., & Co. in relation to the guaranteed 3-65 bends. Coming as it does from a bouse long interceived and varsed in Government boads and handling impartially all the bonds on the list of exchanges and in the legitimate and careful was peculiar to bankers, the singling out, expination and indorsement of the 3-35's, as found in their circular, will have a most decisive and beneficial effect upon the markets of all cities to which they must find their way by force of the same circumstances which have appreciated Government bonds, and made them salable in every little hamlet in the land.

Messra. Sherman & Frant, No. 1425 F street, quote the following buying and selling rates for little hamlet in the land.

Messra. Sherman & Frant, No. 1425 F street, quote the following buying and selling rates for Governments, gold, &c.:

6'3. '81. 1244, 61245, 6.20'z. '83. 1233, 61145, 5.20'z. '64. 1185, 61147, 5 10 40'z. 1173, 61145, 5.20'z. '64. 1185, 61145, 5 per cents. 1193, 61145, 5.20'z. '65. new 1223, 61245, Greid. 116 61165, 5-30'z. '67. 122 Greid of G

Since the decline in the prices of grain at Chicago a perceptible weakness has come over the Eastern markets, which may have the effect of bringing prices down to the shipping point. As an indication of a prospective expert movement freights to Liverpool have become drimer and more active to-day.

In the local markets produce, &c., exhibits the same weakness which we noted yesterday, but concessions have been made, and trade has come fairly active. Quotations are nominally as before. The fact of the suspension of business Saturday and Sunday has exerted a beneficial influence over the jobbing trade, and the week closes with
